The Ladybug Ride

Himalaya

An exciting family attraction for adults and children, this ride has fun written all over it! The name Himalaya comes from the cooling blast of air that is felt while the ride spins. So if you are a little warm and need to cool off, the Himalaya is one ride that you'll need to catch!

Spin Out

Hold on to your stomachs everyone! This ride, which was new to the Fair last year, will spin you up, down and all around! Designed on three different axis, the Spin Out is unlike any other ride. Joe Blash, owner of Shamrock Shows describes the ride, "Going on Spin Out is like doing acrobatics in the air...it is unlike anything else!"

Grand Carousel & Ferris Wheel
